

Our Parish Prayer

*All powerful God, Father of our Lord Jesus Christ,
renew our parish communities of Ferrybank & Slieverue
in faith, hope and love.*

*Hear our prayers and especially our prayers for this special
intention*

(here mention your special intention)....

*Bless each family, heal the sick, comfort the dying,
raise the dead, guide the young, protect us from danger,
mend hearts that are broken, bring peace and reconciliation
where these gifts are needed
and may all who have lost their way return to your
merciful embrace.*

*Help us to always respect the gift of human life and the gift of
creation.*

*May we always be thankful for the many blessings you have
given us.*

*Send your Holy Spirit upon us to be our Helper and Guide,
opening us up to new ways of sharing & living the Good News
of your Sons Life, Death and Resurrection.*

*Help us to recognise you,
in the Scriptures and the breaking of Bread
and in the events of our daily lives.*

*Through the intercession of our Blessed Mother Mary
may we become true witnesses to the Joy of the Gospel.*

We ask this through Christ our Lord. Amen.
