

Dear Parents of Children in Slieverue & Ringville Schools

First of all I wish all of you a very happy New Year. 2020 was very difficult year in so many ways, hopefully 2021 will be much better for all of us.

Your child is now in second class which is traditionally the time when First Communion is celebrated.

In Slieverue it is hoped to celebrate first Communion on Sunday 30th May 2021

If Covid restrictions are still in force (and hopefully they wont be) we may have to change the date & have a number of ceremonies similar to 2020. We will keep you updated as the situation develops.

If you wish your child to receive First Holy communion this coming year **please fill in the form below and return it to us at the Parish Office by Friday 22nd January. You can drop it in (along with a baptism cert. if required) to the parish office in Ferrybank or through the letterbox in Slieverue Church inside main door to the left or send it back to us by email.**

You can also download the form from our parish website:

First Communion Programme

In past years we had a Communion programme with monthly Mass in which the Children were involved as they prepared for First Confession and First Communion. Because of the Covid restrictions we will not be able to have those Masses this year.

However we have a different programme lined up and it is online! It is called '**MyFaith**' and you will see information about it below.

It can be done at home and once we have received your Registration Form we will be able to send you the letter with all the details & codes you need to login and begin - along with a special workbook which will be of great help too! and we will connect with all of you from time to time via zoom or other technology with updates and information.

So what is MyFaith?

MyFaith is an online parish-based programme that allows the children to journey towards the celebration of the Sacraments in the company of their families, supported by their parishes. Designed to support children preparing for First Confession and for First Holy Communion and Confirmation. This online and interactive programme leads children through the steps necessary to understand, appreciate and, in time, fruitfully celebrate, and then live, the Sacraments.

The Course Companion

Children will be introduced to Ich Thus, a most important fish, who will guide those preparing for Communion and Confirmation, in very different ways, to the same result. Online video modules, online interactive games/challenges and quizzes to reinforce learning, downloadable resources; moments of prayer; an appreciation of the journey towards celebrating the Sacraments are the key elements of what we hope will be an immense support to parishes in their efforts to help children on their faith journey. New modules released every two weeks ensuring the journey of preparation will continue as the day of celebration draws closer.

We will log in to track, encourage and support the children on their journey & will be in contact again soon to update you

Best Wishes & looking forward to receiving your registration form & sending you our programme details.
