Visitation of the sick and the housebound

With the return to public worship, it is now possible for Fr. Kieran to visit housebound parishioners with the sacraments. The following will apply until further notice in relation to visitation of the sick.

Those sick at home or who are no longer able to come to Mass.

Firstly, ask the sick person if they would like to be visited by the priest and receive the Sacraments. If they consent then contact the Parish Office to arrange a visit. Please give name and address of the person to be visited along with Eircode.

After the first visit the person can be placed on the monthly visitation list if they so wish.

In the old days there was a tendency to call the priest at the last minute to anoint the person before death. This is no longer our understanding of the celebration of the Sacraments for the sick & dying. **When a person becomes ill, receives a serious diagnosis or because of frailty is no longer able to attend Mass that is the time to contact the priest so that they can be strengthened by the Sacraments and prayer of the Church community.** It should also be remembered that because of the many commitments of priests today there is no guarantee that they can be available at a minute's notice. The rule of thumb is – DO NOT LEAVE IT UNTIL THE LAST MINUTE.

Those in hospital

At the moment it is not possible to visit those in hospital. A chaplain is available at all times to administer the Sacraments. Nonetheless Fr. Kieran would appreciate if you would tell him if your loved ones are in hospital so that they can be added to our prayer list.

Those in nursing homes

If you have a loved one in a nursing home who would like a pastoral visit, please inform the parish office so that it can be arranged with the nursing home and the family.

In all cases ... Please be aware that Fr. Kieran can only visit the sick having received a request from the family himself or via the parish office and not on second hand information from others. This is in line with GDPR regulations now in force. More detailed information on Pastoral care of the Sick can be found in our leaflet on care of the Sick available in our Churches and on our Website.

Baptisms

Individual Baptisms can take place with a maximum of **five** people attending. Contact the Parish Office for details.

Weddings & Funeral

Weddings & Funerals can be celebrated with a maximum of **50** attending in the Church.

World Elder Abuse Awareness Day – June 15th

World Elder Abuse Awareness Day serves as a call to organisations and communities to raise awareness about Elder abuse, neglect and exploitation. Research suggests that 4 - 10% of older people experience some form of abuse, most of which will go unreported. This day is to make sure we remain focused on our older populations and ensure that they continue to lead lives of high quality and dignity. You can show your support by wearing a purple ribbon on World Elder Abuse Awareness Day on June 15th

We continue our prayer for Exam Students this week ...

Prayer

Ever loving and eternal God be with me as I prepare to sit my examinations. Give me peace of mind and quietness of heart so that I may approach each exam with confidence and trust.

Open my heart to believe that with you all things are possible and because you have created me, I am worth much more than all the exams in the world. Teach me Lord that there will be many opportunities for using my gifts and talents in the future.

Bless that future and be with me, my family and my friends especially when the road is difficult, and when all is going well may I give thanks for your care and love through Jesus Christ Our Lord.
Amen
