Ever Thought of being a Priest?

Have you ever thought of being a Priest? Did that thought stay with you even for the shortest time? Maybe you are being called to a way of life that is certainly different but is also a life worth living. The mission of a Priest as Pope Francis often reminds us is to bring God's Love, Mercy, and Hope to People, to accompany them on their search for God, to help them discover their true mission to be active partakers in the life of the Church.

You can only do this when you have discovered God's Love for you and when Jesus Christ is at the centre of your life. The journey to priesthood is first of all a journey of discovery - discovering who God really wants you to be and how your mission will unfold. So would you like to explore further... ask more questions...at your pace? Take a risk for Christ.

Recent Ferrybank Cemetery Work

Recently some additional fencing has been completed in Ferrybank cemetery to provide extra security and to shield off an area where rubble from graves accumulates. There is a problem with dumping in the lower part of the cemetery and we would appeal to everyone not to dump waste materials anywhere other in the bin provided. Parishioners and people further afield should also be familiar with the cemetery regulations which govern the management of the Cemetery. Cemetery regulations can be viewed on our parish website.
