### Prayer For Those who are Troubled

God of the troubled, I am afraid again and look to you. Calm me and bring peace to this disturbed spirit. Quiet me. Still my turbulence as you quell the storm at sea. Help me to know you are closest when I am most worried. Protect me from harm. Let these troubles pass. Wake me up to the reality of your constant love for me. I place myself in your presence and your care. I hand you all my troubles for a while. Be my peace, O God, my peace. God of the troubled, I am afraid and look to you again.

### Gardening for Biodiversity

There are over 2 million domestic gardens in this country: Just imagine the difference it could make if 2 million gardens became biodiversity friendly! Gardening for Biodiversity also has advantages for human health and wellbeing. For gardens to be good for pollinators, they need to provide food in the form of flowers, shelter for nesting and safety from chemicals.
