Faith Seeking Understanding

Learning more about what it is that we believe

Bishop Niall Coll and the Ossory Adult Faith Development have prepared a programme of formation for people of the Diocese who come to Mass and are part of our parishes to deepen their understanding of their faith.

Introduction

We were first brought to our faith, probably as infants, by our parents or guardians. On that day they professed faith on our behalf. Throughout our lifetime many of us live that faith in varying ways and often the only education we received was that which we got in school. This course aims, in a gentle fashion, to allow people the opportunity to learn in, an adult way, what it is that we believe.

The course aims are

- *To help people to understand key aspects of our faith.
- *To be able to know what is distinctive about the Catholic faith.
- *To appreciate what all faiths share in common.
- *To understand our parishes and Diocese.

Admission Requirements

- *Baptised Catholics seeking to understand their faith
- *Applicants are asked to submit a short piece of no more than 100 words on why they want to do this course.
- *Admission will be based on a short interview.

Course Duration 2 hours per week – October 2024 – March 2025

Venue St. Kieran's College, College Road, Kilkenny

Fee The course is free to participants. All costs covered by the Diocese of Ossory
